

Raising Quality! IMPACT Newsletter

OCTOBER 2017

She's baaaaack!

Cathy Cole, Early Childhood Consultant, made the rounds in late September, providing one-on-one coaching to sites and training (*Implementing An Effective Program - Putting All of the Pieces Together*). Trainees reported:

- "Cathy showed us how we can implement all components for high quality!"
- "I felt validated and appreciated for the work I do."
- "Cathy brings a lot of ideas to help!"

Cathy will be back in early November (week of November 6) to offer more support and ideas. Registration for her trainings, *Planning Effective Play Experiences to Promote Learning*, will be open soon. This training dives deeper into her earlier training, *Putting All of the Pieces Together*. There will be additional opportunities for onsite coaching as well. Stay tuned for details!

Provider Stories & Highlights

Class of 2030?

Shajidan Yasheng, Owner of Happy Place Preschool in Mountain House, celebrated her preschoolers' graduation in style! This was Sajida's first graduating class, and although she will miss the children, she is very proud and confident that she is sending them off to Kindergarten ready to learn!

Sajida joined *Raising Quality!* in 2015. Since then she has increased her capacity, offering after school and infant care. Congratulations to Sajida and her grads!

**About the Raising
Quality!
Program**

Raising Quality! is a quality rating and improvement system for early care and education programs in San Joaquin County. Funded by First 5 California and organized by First 5 San Joaquin, *Raising Quality!* improves the quality of early learning programs and helps to close the achievement gap for our youngest learners.
